MKS® GROUP OF COMPANIES IS THE OFFICIAL MWM DEALER AND SERVICE PARTNER

The MKS® Group of companies is the official dealer and service partner of MWM®, one of the leading brands in the production of cogeneration units for autonomous power supply. Since 1871, MWM® engineers have been developing and producing high-perfomance gas engines and generator stations in Mannheim (Germany).

The status of the official dealership and service partnership of MWM® allows the MKS Group of Companies to solve whole complex of issues related to the sale and further technical support of the engines of this brand. All of the engineering staff of MKS® group passed certified training at the manufacturing plant in Germany. MKS® specialists can carry out commissioning of all levels of complexity. In addition, the status of the official dealer allowed MKS® Group of Companies to significantly shorten the delivery time of MWM equipment, and also to organize a spare parts warehouse for MWM® based on its own production facilities in Chelyabinsk city.
